New Message Series Beginning August 10th

WAITING FOR JESUS

WHAT'S NEXT (AND WHY IT MATTERS)

The Bible makes a promise that outshines all others – Jesus Christ is coming back!

In a world filled with uncertainty, this is the certainty that we can cling to.

Hebrews 9:28 says, "So Christ was sacrificed once to take away the sins of many people; and he will appear a second time, not to bear sin, but to bring salvation to those who are waiting for him." Join us on Sunday morning, August 10, as we explore what God's Word says about the Second Coming and why it matters to you today.

CELEBRATING

our Senior Adults

All senior adults ages 55 or older are invited to join us for a special day of celebration! Come join us after the 11:00am service in the Life Center for a catered meal. Please RSVP to Maripat Herring at 864-905-3192 by August 11 if you plan to attend.

Sunday, August 17

www.mtairybaptist.com

Upcoming Events

Leadership Meeting

The trustees will hold their third quarter meeting on Sunday, August 24, at 5:00pm.

Young at Heart Choir

The YAH Choir will rehearse on August 13 and August 20 at 5:30pm in the Sanctuary.

Discover Mt. Airy

Discover Mt. Airy is a class designed to explain what we are about. We encourage anyone new to Mt. Airy to attend, whether or not you are planning to join the church. The next class will be Sunday, August 17, at 4:00pm in Bldg. A. A light meal and childcare is provided. Please sign up at: mtairybaptist.com/discovermtairy.

Ladies' Group Meeting

The Margaret Mitchell Group will meet on Wednesday, August 20, at 2:00pm in Building A. Please bring food items for PERC, such as individual breakfast servings, canned pasta sauce, or canned meat. Please see Miriam Ausburn for more details.

LADIES AT THE LAKE

Saturday, August 16

Get ready for a wonderful Ladies' Ministry gathering at the lake house of Brad & Donna Porter on Saturday, August 16th! We'll meet at the church at 9:30am, and then head over to the lake house to enjoy the day. The Ladies' Ministry will be providing delicious burgers, complete with buns and all the condiments. We're kindly asking attendees to bring a favorite side dish and a dessert to share. We're looking forward to a fantastic time together! Mark your calendars!

Summer Bible Reading Plan

The theme for this month's reading plan is God's grace and mercy. Reading plans are located around the church or on our website.

Missions Moment

Thank you for your prayers and support for our first journey with our mission partners in St. George, Utah. We are trying to create ways for our church planters to meet and engage with the community in meaningful ways. Therefore, we hosted a Pickleball Tournament in an indoor, air-conditioned facility. This was great because the temperature there was about 108 degrees every day! As only God could do, he filled the tournament, and many players brought their families to watch. It was an incredible way to meet people and to talk with them about life... and to invite them to a Bible study discussing eternal life. Lord willing, we will return in October. Come by the Next Steps Table to sign up to go with us.

We are also preparing for another journey to Boston in September with our new church planters there. We need help. This is a shorter mission trip and a great way to get involved with the Great Commission. Come and speak with me about it if you can.

Please pray for us as Mt. Airy is leading a pastor's vision trip to Panama in mid-August. We are taking pastors who have either never been on a mission trip or never been on an international mission trip. The goal is to show them how to connect with the IMB missionaries and to hopefully engage their church on mission.

Until Every and All Are Reached - Rob

COMING WEDNESDAYS
THIS FALL!

Science And The Bible 13-Week Children's Curriculum Ages 3 - 5th gr. | 6:30 pm | KidMin Room | Bldg. C

Experimentation comes to us naturally. We start doing it before we can even talk. The Bible is full of experiments, from Adam and Eve's experiment with sin, to the story of a sheep who experimented with leaving the flock. As we look at a few of these stories, we'll run some of our own experiments and see what happens. This class will be led by Julie Wilkerson.
